

If you haven't met already, we would like to introduce you to SLOVENIA VODKA. This is a very special spirit created by a team led by Chef Peter Kelly. It is a "Culinary Vodka" that is especially pristine and pure. We are not the only ones in love with it...SLOVENIA VODKA has won numerous gold and double-gold medals in international spirits competitions.

We invite you to try it in your favorite cocktail to experience the uncommon smoothness and a whisper of Slovenian buckwheat.

COLLECTIBLES

Rarities and legendary vintages will be offered from time to time. We hope this selection of wines, super-scarce and available in miniscule quantities, will please those searching for inimitably singular and compelling encounters of grape and time.

These wines are offered with strong knowledge of provenance and great confidence in the cellar conditions. Please keep in mind these are mature, aged wines - and will appear and drink as such. Unless a wine is corked, returns/refusals cannot be honored.
