- Small Producers with Huge Flavor -

White

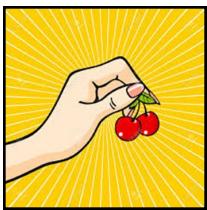

152Soave Classico, Cantina del Castello, "Cru Pressoni", Veneto, Italy, 201147.00

A **STUNNING** and **VIBRANT** wine from our friend Arturo Strocchetti...from the land of sunshine and ancient Volcanoes comes this brilliant Soave. This is from the single-vineyard (cru) of Pressoni, where a touch more clay in the soil gives the wine a depth and richness that is not normally found in a Soave. With aromas of marzipan, melon, citrus and chalky mineral, the palate delivers an amazing density and flavors of lemon preserves, sweet herbs, and papaya. The finish is rich, round and honeyed balanced by vibrant acidity.

Yeah, that pretty much sums up the Piccolucia Rosso

236Refosk, "Capris", Vinakoper, Slovenia, 201146.00

From the magical land of Slovenian Istria, this brilliant, burly, blast-of-blackberry bowl of wine is absolutely worth the risk...I can hear you thinking now...*"Refosk?!?!? Sounds like a auto part bought on the cheap to keep the Commissar's LADA running"...*well, you have read this far so please trust your palate with us. This grape, native to this ancient land, produces a wine that surprises with ripe fruit reminiscent of ripe blackberry, jam, sour cherry, mulberry, blueberry, and dry Mediterranean spices. Notes of wood and forest undergrowth are also haunting the edges. Don't trust us yet? Let's check the memoirs of the one and only *Giacomo Casanova*, where he writes: *"...his Refosk, which was even better than my devout hostess's had been, made me forget all my troubles."*

COLLECTIBLES

Rarities and legendary vintages will be offered from time to time. We hope this selection of wines, super-scarce and available in miniscule quantities, will please those searching for inimitably singular and compelling encounters of grape and time.

These wines are offered with strong knowledge of provenance and great confidence in the cellar conditions. Please keep in mind these are mature, aged wines - and will appear and drink as such. Unless a wine is corked, returns/refusals cannot be honored.
